

SUFFOLK ROAD CHURCH

MAY 2017

We put our hope in the Lord. He is our help and our shield.

In Him our hearts rejoice, for we trust in His holy name.
Let Your unfailing love surround us, Lord, for our hope is in
You alone. Psalm 33 v 20 - 22

Loving Heavenly Father, We praise You for Your great love, which is higher, deeper and broader than are minds can ever fathom or imagine.

May we always be at peace in knowing You as our help and shield.

We thank You that Margaret didn't suffer any further damage in her last fall, we pray for Your healing, strengthening and stability as she moves around. Guide her to the right care home, if this is to be the next step in her life.

And thank you for answering our prayers for Len's future needs. And as Carolyn and Richard prepare for him to come to live with them in July, we pray that this will work out well for them all.

Be with Louise as she is baptised, and guide her life to be a faithful follower of You, Heavenly Father.

We pray for Your continued help and restoration in Mary's life as she starts her radiotherapy, and for safety on the roads as she travels to Addenbrookes each week day.

May Bill Yates know Your healing and restoration in his life, and guide him day by day that he will know Your plans for him.

We leave David in Your care, and ask Your healing over his reoccurring health problems.

May Anne, Julia, Len, Carole, Pearl, Ray, Maurice, Martha, Hazel, Judy, Godfrey and Jinny know Your help and healing in each of their needs and problems of life.

Be very close to Tricia as she faces the amputation of her other leg, we pray she will feel Your hand on her both physically and emotionally.

We pray that Your Holy Spirit will fill each one of us, to live for You, who gave Your precious blood to take away our sins.

Thank You Lord God. Amen
