 I look up to the mountains-does my help come from there?
My help comes from the Lord, who made heaven and earth!
He will not let you stumble; the one who watches over you will not slumber.
Psalm 121:1-3

 Loving and Righteous Heavenly Father,
We thank and praise You for Your loving care over each one of us, may we all know Your guidance in every area of our lives.

Thank You for Your care over Margaret in her month in hospital, we pray for Your healing in her congestion on her lungs, and the skin on her legs.
Guide her also into what care she now needs.

Be close to Julian and we seek Your intervention in his heart problems. May all the family know Your help also, at this difficult time for them.

We pray that Rosie will soon receive her appointment for her neck surgery.

We praise You that those who have been suffering with the severe colds/ coughs are now improving, and also for Joanne's recovery after severe vertigo.

Be close to Donna and Ian, we pray for Your healing into Donna's life and Your guidance as they make plans for their wedding.

We praise You, that we are always under Your watchful care, and we leave Anne, Sally, Martha, Barbara, Julia, Jill, Pearl and Keith, Len, Marie, Anita and Andrew in Your hands.

In this world of great turmoil Heavenly Father, we see the signs of Your return, may we all be ready for this soon coming day.

Amen
