We are always available to pray for you, if you have any particular needs, either after the Sunday morning service or at Cornerstone. If you would like to go on the Sunday morning prayers or on the Prayer chain, please let us know.

 Loving God means keeping His commandments, and His Commandments are not burdensome.
1 John 5:3

 Loving and Righteous Heavenly Father,
We praise You for Your love and care over us Your children, help us day by day to live by Your rules for we know they are for our good and for the well-being of ourselves and others also.

Thank You for Your healing over Margaret's congestion and also that she now has a new hearing aid. We pray that her legs will also know Your healing.

We bring to You, Donna and Ian in all their needs and also their wedding.

Be also with Rosie and Julian as they wait for surgery and appointments, may they know Your peace and healing in their needs.

We praise You that Ray has seen some improvement in his skin problem, and pray for Your healing on his painful knee.

Be also with Pearl and Keith, Anne, Julia, Sally, Barbara, Jill, Marie, Andrew, Len, may they each know Your presence and healing in their health problems.

We ask Your blessing on the children and teachers who will be coming to the 'LIFE' exhibition. We pray that it will impact their young lives and also be a fun learning experience for them.

As the Corona virus has now reached pandemic size, we pray for Your healing and eradication of this disease.

May our faith and trust always be in You, for You are our Great and Mighty God.

Amen
